OUR EXPERIENCE IN LEISURE TRAVEL

A WORLDWIDE UNIQUE STANDARD

We collaborate with different worldwide Travel agencies by supporting them with the organization of their Guests' mobility.

Often, the real challenge for our Customers is to manage multiple trips simultaneously, coordinating different agendas.

In this context we deploy our expertise and guarantee 24/7 support at all stages.

A SOFTWARE TO SUPPORT THE BUSINESS

Leisure Travel requires speed, flexibility, order and precision. To allow all Agencies and Companies to freely modify their plans based on their demands, Balsamo® has built a dedicated platform, a simple way for the Customer to access all the information, from the initial phase of the project to the final billing and reporting.

We listen to our Clients' and to their Guests' needs to be ready at every occurrence, create a tailor made service and choose the best suited solution together.

OUR EXPERIENCE IN LEISURE TRAVEL

WORLDWIDE "DOOR-TO-DOOR" WITH ONE CONTACT

First comes understanding the existing needs and management dynamics; our goal is to minimize the effort of the Company operators, supporting them in all related activities to mobility. Thanks to knowledge, preferences and historic of activities, we are able to better assist the Customer, anticipating the needs and enhancing the results.

Booking management

We integrate and coordinate with the Client's operation center, by providing our expertise for mobility & booking management.

Flexibility and speed

By understanding the Client's needs, we tailor exible cancellation terms, we pptomize the operation schedule and we adapt the procedures to the company work ow.

Administrative Support

We assit the Client's administration department for any request, such as particular billing or taxation conditions based on the market context.

Organization of "Bleisure" experience

When the business travel is combined with leisure activities, we support the Client with the organization of side activities, such as exclusive guided tours, accommodations and booking experience.

LEISURE

HIGH VALUE IN EVERY CONTEXT

EVERY TYPE OF VEHICLE

A modern and elegant fleet designed to meet every need. Not only cars, minibuses, and coaches, but also special vehicles such as armored cars, boats, helicopters, and private jets.

AIRPORT SERVICES

We provide our Clients with a range of services related to airport transfers, both in terms of planning and hospitality support. Depending on the agreements with the authorities, we can also offer dedicated services such as Meet & Greet.

SERVICE MANAGER DEDICATO

In any type of service — from business travel to event mobility — the Services Manager is the main point of contact, on-site or remotely, ready to update the Client with real-time information on their Guests' journey and handle any situation that may arise.

BRANDING
